Girls Night Out® began as a small “pay it forward” project by Taunia Oechslin, a breast cancer fighter who was diagnosed at 36 years old and succumbed to the disease on April 9, 2009 at the age of 39. It was her goal that every woman is educated about breast cancer, understands the value of early detection and receives proper treatment.

To date, Taunia Oechslin Girls Night Out® has raised over \$270,000 to ensure “cutting edge” care and research.

Taunia’s goal was to raise \$40,000 for Girls Night Out®, because 40,000 women die of breast cancer each year. That’s \$1.00 for each woman. Please help us reach our goal. You can help by purchasing a table (\$350 for 10 seats), an individual ticket (\$35/each) or by donating baskets.

**All proceeds benefit:
Joyce Murtha
Breast Care Center**
