Windber Medical Center's Caring Park

*To provide a tranquil setting in which to seek
comfort and peace while celebrating those who
are or have been part of our lives.*

*A place for our heart to mend,
a place of prayer for our faith to be renewed,
and a place where we may honor and
remember people who touch or have touched
our lives with their special gifts.*

WINDBER
MEDICAL CENTER

Why a Caring Park?

Why a Caring Park?
This special park signifies our commitment as a Planetree patient centered hospital, to focus on the mind, body, and spirit of our patients and community.

As a foundation, our commitment is to help support the ongoing care and unique programs here at Windber Medical Center. Together, the possibilities are limitless.

Are you interested in other opportunities?
