

Don't miss this opportunity to support the work at Windber Medical Center and be part of this special park.

A paver "brick" is engraved and then placed in the walkway of the Caring Park.

Continued ongoing opportunities will be available as the graveled pathway become paver walkways.

## Windber Medical Center's Caring Park

*To provide a tranquil setting of beauty in which to seek comfort and peace while celebrating those who are or have been part of our lives.*

*A place of beauty for our heart to mend,  
a place of prayer for our faith to be renewed,  
and a place where we may honor and  
remember people who touch or have touched  
our lives with their special gifts.*

  
WindberCare™

## Why a Caring Park?

**Why a Caring Park?**  
 This special park signifies our commitment as a Planetree hospital, to focus on the mind, body, and spirit of our patients and community.

As a foundation, our goal is to help support the ongoing care and unique programs here at Windber Medical Center. Our community, even the world, is benefiting from WMC's tireless efforts to improve healthcare and enhance scientific research. Together, the possibilities are limitless.

## Are there still named gift opportunities available?

Yes, there are many opportunities to show that **you** care. For more information call (814) 467-3447.
