Chan Soon-Shiong Medical Center at Windber (CSSMCW) has served the community for more than a century and maintains its rich history because of the support of so many individuals and organizations. Charitable gifts to the Windber Health Care Foundation enable us to continue providing patients with the finest health care equipment, programs, and services possible, as well as the resources necessary for construction, expansion, and remodeling projects.

Proceeds from the Spirit Classic Golf Tournament will fund hospital projects at CSSMCW. Thank you in advance for your consideration to support those in our community who benefit from the care and services provided by the hospital.

To learn more about how you can support CSSMCW, please contact the Windber Health Care Foundation at 814-467-3705.
